

For more than 25 years, our law firm has been driven by an entrepreneurial passion, offering our clients much more than just legal services.

Our assistance to our clients is based on the recognized know-how of our teams in all fields of business law. Our 160 lawyers are committed to advising you and defending your interests to help you achieve your objectives for growth, innovation, compliance, and legal protection of your business activities.

As an economic player and corporate citizen, we are fully aware of the employment, environmental and social responsibility we face as a business.

In a rapidly changing world, you can rely on us to act with the highest professional standards and agility. Together, we will devise solutions that will help you anticipate, succeed and stay ahead.

August Debouzy, a French brand at your side throughout the world.
